LANO & WOODLEY GOOD BYE DVD

Lano and Woodley's 'Good Bye' tour marked the end of one of Australia's great comedy partnerships after twenty years. More than 120,000 people came to say good bye to Lano and Woodley in one of 37 cities that they visited over the nine months that they spent on the road.

The Good Bye DVD was recorded in Lano and Woodley's home town during their record breaking run at the Melbourne Comedy Festival. Lano and Woodley's Good Bye show was the highest selling season ever in the 21 year history of the Melbourne Comedy Festival.

A Lano and Woodley show is hard to describe; musical, physical, hilarious and always surprising. Only the dead and the clinically evil can resist Lano and Woodley's unique take on the world, with their relentless petty power struggles and love/hate relationship. Luckily we don't have to describe it, you can look at it yourself on this DVD!

Their last ever show was performed in Melbourne at the Regent Theatre on November 11, 2006.

"At their best, they'll make you laugh until your eyes water" The Age, 21 April 2006

"What is clear at the end of the show is that Lano and Woodley are bowing out while still at the top of their game" The Courier Mail, 19 August
